

NER AREA 3

NER Area 3, College of Commissioner Science, 2017

Hello Fellow Commissioner,

In just under 2 weeks, the BSA Northeast Region Area 3 College of Commissioner Science will occur. As a commissioner, you know that training, and networking are important. The College of Commissioner Science is one of the best places for YOU to do both. It is to be held on April 8 from 8 am until approximately 5 pm at the Herkimer County Community College.

In addition to learning about Commissioning, completing a degree or simply taking continuing education courses, you will have an opportunity to interact with fellow commissioners from all over the area.

To make the day even more exciting our Keynote speaker is the BSA National Commissioner, Charles Dahlquist. As the National Commissioner, he follows in the footsteps of Daniel Carter Beard, and Tico Perez as the second highest volunteer in the BSA. We are thrilled to have him join us and very much look forward to hearing what he has to say about Commissioning.

If you have not already done so, please register now for this inspiring event at <https://www.senecawaterways.org/commissioner-college>. If you have registered, please invite a fellow commissioner to join you.

Yours in Scouting,

Valerie Kalwas
2017 College of Commissioner Science Chancellor
