BOY SCOUTS OF AMERICA®

The Robert Barnes, Sr. Welcome Center

In case you were not one of the donors who helped us reach our $300,000 goal for ***Camp Kingsley's 100th anniversary capital campaign to fund The Robert Barnes, Sr. Welcome Center***; through our partnership with Pinko's Landscaping of Rome, NY (celebrating their 50th anniversary), it is my pleasure to offer you the following fields to fill in for our brick pavers.

In recognition of gifts of $250 or more, payable over five years, donors who would still like to be included in our walkway may fill out up to three lines of text, with 16 characters in each line.

The size of the paver, tile, or stone will be determined by the amount of your generous gift (ranging from 4"x4" to over 12").

Pinko's is looking at donating the labor for a walkway and possible firepit where the Scouts will gather just outside the Welcome Center.

A donor wall of honor will include a list of all donors on the inside of the building.

Please return this form with the words as you would like them to appear (including spaces between words) to Jim Hastie by November 1, 2021.
