YOUR SUPPORT MATTERS

Thanks to your support and participation in this year's golf tournament, the Leatherstocking Council is able to provide programs and services to over 3,500 youth in the Council.

Scouting provides youth with an opportunity to try new things, provide service to others, build self-confidence, and reinforce ethical standards. These opportunities not only help them when they are young but also carry forward into their adult lives, improving their relationships, their work lives, their family lives, and the values by which they live.

Scouting Success: 2021 Eagle Scout candidate Connor Hayes completed his community service project at Root Farm.

Your contribution ensures that every young person who wants to join Scouting has the opportunity through financial support for books, uniforms, registration fees, camp fees, along with a trained and caring staff to ensure a quality program.
